

Desire For Excellence

2009-2010 School Form Grades 7 – 12

Sonshine Christian Academy

This form must be returned to the school office before attending classes.

Each year students aspire to “Higher Heights” and character grows in the life of junior high and high school students at Sonshine. *A desire for excellence* is essential.

If the following is “your” *desire for excellence*, please sign below, date, and return to the school office promptly. This form must be in your file before attending classes.

“It is truly my desire to excel and *be all I can* for the glory of God, to rise above mediocrity and soar with the eagles. Spiritually, to have and develop a sincere personal relationship with Jesus Christ and be positive influence on those around me is my desire. I want my life to set a high standard in character, responsibility, attitude, speech, mannerisms and dress. My speech and attitude toward drugs, drinking, and morality will be in accord with Holy Scriptures and school policies. In academics, I’ll strive for maximum, not minimal accomplishments. My desire is a *standard of unquestionable* behavior at and away from school. I do appreciate and will readily submit to spiritual guidance of my God-give authorities, including parents, pastor and school leaders.

This “Desire For Excellence” is truly MY DESIRE.

I realize when my actions or attitudes reflect anything contrary to this, I may be subject to school suspension.

Student Signature _____ Date _____ Age _____
